

ATLANTA BASED ACUTECARE TELEMEDICINE LAUNCHES NEW ONLINE PRESENCE

ATLANTA, GA: SEP 6 2011 AcuteCare Telemedicine (AcuteCare), led by 4 expert neurologists, launches its new online presence. AcuteCare, an emerging telemedicine provider, offers hospitals 24/7 high quality neurological emergency support, accreditation support, and programs for the advancement of healthcare providers.

“We have already seen over 60% growth so far in 2011, and we are poised to add new hospitals in neighboring states, allowing us to extend our expert services to underserved areas,” said Matthews Gwynn, M.D., CEO, AcuteCare. “The launch of the website marks another significant milestone for our business as we continue to grow. It is a useful tool, and we hope it will be a spark for the future of the company.”

The new online experience highlights a unique value proposition for hospitals and administrators complete with information and testimonials to support the company's ongoing mission of providing expert care using remote presence technologies.

“We are excited to be working with an emerging leader in telemedicine,” commented Julie Gareleck, Managing Partner, Junction Creative Solutions. “The partners have built not only a brand, but a valuable company. We hope the launch of this new website will increase visibility for the company and present more opportunities for continued growth.”

About AcuteCare Telemedicine

Founded in 2009, AcuteCare Telemedicine is a limited liability corporation advancing the opportunity for healthcare institutions to gain access to highly-respected, expert neurologists and telemedicine technologies. AcuteCare offers a range of services including first-rate neurological emergency response care with around-the-clock support and hospital accreditation education. Currently AcuteCare primarily provides remote emergency neurology consultation which fills staffing needs and reduces the costs associated with 24/7 neurologist availability. As a result, healthcare institutions provide full service emergency neurology care and can earn Joint Commission Certification as a Primary Stroke Center.
